EDUCATION

Sir M Visvesvarayya College of Engineering, Karnataka

Bachelor of Engineering

HKES Polytechnic

Diploma

Oct 2023 – Jul 2026

Raichur, Karnataka

Sept 2020 – Aug 2023

Raichur, Karnataka

EXPERIENCE

Kodnest | *Java Fullstack Developer Trainee*

May 2026 – Present

- Developing Java-based applications using **Object-Oriented Programming** principles including encapsulation, inheritance, abstraction, and polymorphism.
- Implementing **CRUD** operations and database connectivity using **JDBC**, **SQL**, and **MySQL**, with a focus on data retrieval, manipulation, and persistence.

Princeton Smart Engineering | *Fullstack Developer Internship* | [Certificate](#)

Feb 2026 – May 2026

- Successfully completed a 3-month Full Stack Development internship as part of the **VTU** curriculum.
- Learned software development best practices and application architecture fundamentals.
- Built a responsive sleeping pod reservation website in collaboration with team members using **HTML**, **CSS**, and **JavaScript**.

PROJECTS

Smart Parking System | *React, Node.js, Express, MongoDB, Razorpay API* | [Code](#)

May 2026 – Present

- Built a full-stack parking management system with a **Node.js/Express** backend, **MongoDB** data models, and a **React** + Vite frontend for reservation, slot allocation, payments, and analytics, **JWT Authentication**.
- Implemented **voice-assisted parking commands and audio transcription**, integration via a dedicated API voice controller and frontend voice assistant UI.

TECHNICAL SKILLS

Languages: C++, SQL, HTML, CSS, JavaScript.

Technologies: Tailwind CSS, Bootstrap, React, Node.js, MongoDB.

Database: SQL, MySQL.

Developer Tools: Git, GitHub, VS Code, MySQL, IntelliJ.

Computer Fundamentals: Data Structures and Algorithms, Database Systems, Operating Systems, Object-Oriented Programming (OOP).

ACHIEVEMENTS

Gold Medalist: Awarded Gold Medal in Bachelor of Engineering for achieving outstanding academic performance and maintaining consistent excellence throughout the program.

[Avionics Workshop](#) – Participated in the Avionics Workshop at NIT Surathkal in collaboration with Boeing, gaining insights into aerospace systems and avionics technologies through interactions with professors from **IITs**, **IISc**, and leading industry professionals.

VTU Rank Holder (Top 90) – Secured a Top 90 rank in Visvesvaraya Technological University (VTU) among engineering students across Karnataka, demonstrating outstanding academic performance and consistency.

LEADERSHIP / CO-CURRICULAR ACTIVITIES

Treasury Manager, SMVCE | *Treasury Head*

Nov 2023 – Feb 2026

- Served as Treasury Manager, managing budgets, financial records, and fund allocation for college activities and events.
